

VIRTUAL ATTENDEE HUB GUIDE

AFEEC@premierfamilybusiness.com
WhatsApp/Viber/Call: +63.921.399.7961

Accessing the Virtual Event

When you are ready to access the event, click the 'Go to My Event' button found in the email.

Logging In

After clicking the link to go to the virtual event, you will be prompted to log in. After entering your first name, last name, and email address, a verification code will be sent to your email and cell phone, if there's a phone number on file. Enter in the code to access the event.

Retrieving Your Verification Code

If you did not receive your verification code, please consider the following:

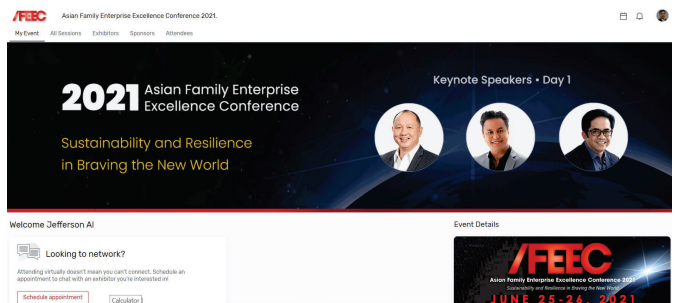

- Ensure you are entering the same email you registered with for the event.
- Check spam and junk folders for the email with the verification code.
- The email or text with the verification code should be triggered in less than a minute.
- If you still do not receive the verification code, Whatsapp, Viber or call: +63.921.399.7961 or email: AFEEC@premierfamilybusiness.com

Once you're logged in, you will stay logged into the event for 24 hours if you accept website cookies.

Navigating the Virtual Event

My Event Page

This is the homepage of the virtual event. You will be able to view live and upcoming sessions, featured sponsors or exhibitors, and basic event details.

You can click into an individual session or exhibitor straight from this page. Additionally, you can access the event website by clicking the 'Visit event website' link.

You also can reference the Home Page Attendee Guide for more specific navigation.

All Sessions Page

This tab lists all the sessions you can attend in chronological order. The page will appear in the time zone of the event by default, but you can adjust the times to the time zone you are viewing in for ease of use.

Click on the session name to access the content of the session.

Designing for the Experience of Augmented Intelligence
Tuesday, August 25, 9:00 AM-10:00 AM EDT

Big Data and Artificial Intelligence | Add to calendar

Description: John Gray will share his views on AI emphasizing the fact that it is designed to enhance human intelligence rather than replace it.

Speakers: John Gray, AVP, Halycon

John Gray has 20 years of experience in developing augmented intelligence for various industries, including financial services. His current role as AVP for Halycon allows him to focus on the long-term direction of improving AI with human intelligence.

Live Q&A

Current question: What are industry trends for 2021? 5 votes
